DONATION GUIDE

IDEA's mission is to empower young people to become active citizens who participate constructively and in an informed critical way in society at all levels. For this work we accept donations. This guide provides you with instructions to effectively give.

IDEA is registered as an ANBI organization. This means that private individuals who are tax eligible in The Netherlands can deduct their gift from their income tax filings. If you wish to receive a proof of giving, please [contact us](#) with the mail header "receipt of donation", indicating your name and gift amount.

Note: for bank donations to our Ukraine war relief efforts, please indicate "IDEA Ukraine Solidarity Donation" in your payment description.
